

Understanding the Web Syllabus

1. In case that you know “Class code” or “Class title” or “Instructor name”

Please select the Faculty/Graduate school after selecting a year: 2024 2025 **2026** 2027

① Click here **Class Search** 言語切替/Language Switch
日本語 | English

• The syllabus and its contents may be updated or added. Please be sure to check the latest version when registering for courses, reviewing the syllabus, or attending classes.
• Please check your faculty's Course Handbook or the bulletin board to check which courses you can register on (please note that courses listed in the syllabus are not all necessarily ones that you can register for).

Faculties/Graduate schools

Class Search

Select and enter the search word and click the search button.
You can search for [Class title] and [Instructor name] by selecting either "partial match", "forward match", "backward match", or "complete match".
(Otherwise "Partial matching")

- Partial match for words or phrases that match part of the search term(s).
- Forward match for words or phrases that match the first word of the search term(s).
- Backward match for words and phrases that match the last word of the search term(s).
- Exact for words or phrases that exactly match the search term(s).

When you specify a keyword in [keywords], syllabus text will be target.
* Only one phrase/term can be specify in on input field.

You can specify multiple search conditions by using symbols (excluding [keywords])

Symbol	How to use
%	To search for a code containing A and 0. ex. A%0
_	To search for a code whose first character is A and whose third character is 1. ex. A_1_
